

Halloween Tip #1

Halloween can be scary for dogs. Leave your dog home in a cozy place away from the door.

Halloween Tip #2

Leave all dogs home on Halloween.

Even if you know the dog and he is friendly with you, leave him home to keep him safe

If you see a dog behind a door or a gate or a fence when trick-or-treating, just skip that house.

There's lots of candy at the other houses!

Halloween Tip #4

If a dog comes to the door to greet you, just stand still. Wait for the owner to put the dog away and for them to come to you to give you your treat.
