

# STUDENT DONATION DRIVE PACKET

*For Students Seeking to Earn Service Learning Hours*

## ***Why collect donations for the Humane Society of Broward County?***

*The Humane Society of Broward County is an animal shelter that cares for homeless dogs, cats, rabbits, and other domestic pets.*

*We are a charity, which means that we depend on our community to help us get the money and supplies we need to care for the thousands of pets we receive each year. Without this generous support, we simply could not help all of the animals who need us.*

## Student Donation Drive for Service Hours

How to do a Donation Drive for Service Hours:

1. Ask permission from your parents.
2. Print out the [Donation Drive for Students Registration Form](#).
3. Print out the [Donation Drive Log](#) to help you keep track of the tasks you perform.
4. Decide which items you would like to collect (see [Hours Earned for Donated Items](#) for a list of items needed).
5. Decide when, where, and from whom you will ask for donations.
6. Make fliers and posters advertising your donation collection.
7. Ask people to donate needed items - advertise at school, church or temple, ask your friends, family, neighbors, local businesses, etc. Be sure to log all of your activity!
8. When your donation collection is over, count and write the tally on the [Donation Drive Log](#).
9. Fill out the [Community Service Project Reflection Questions](#) in this packet. Then ask a parent to call or email the coordinator (954-266-6848 or [dfeldman@hsbroward.com](mailto:dfeldman@hsbroward.com)) to arrange a time and date to drop off your donations. Drop-offs are usually scheduled on weekdays after school or in the early evening. You will bring your completed paperwork with you at the drop off. After all paperwork and donations are verified as received, a Letter of Documentation will be mailed or emailed (you decide) to you within 10 business days of the drop-off.
